WILD ABOUT NATURE?

The new Nature Badge has a range of fun activities, designed to help you identify wildlife, explore local green spaces, notice seasonal changes and learn how to care for Nature.

Did you know that the UK is one of the most Nature depleted countries on Earth?*

Your local wildlife needs help!

Scouts

FIELD NOTES:

2. CONSIDER

Plan how you'll protect, care for and respect the environment during your visit.

FIELD NOTES:

1. CONNECT

Explore and connect with nature by visiting a suitable and safe location. Identify different plants and animals, and record what you find.

3. DISCOVER

Find out more about a plant, animal or another natural thing that you discovered.

FIELD NOTES:

4. SHARE

Share what you've discovered and learned with someone else.

FIELD NOTES:

5. EXPLORE

Explore how human activity or land management affects wildlife, either at your chosen location or more widely.

FIELD NOTES:

6. REFLECT

Think about your experience in nature and decide on one thing you'd like to do next.
