

# KSA Activity Log

Use this log to track challenge awards and ICV activities completed as part of your Chief Scout and King's Scout awards.

Once you've completed your KSA, you can use this log to fill out the KSA Log Book for submission.

## Progress

Use the table below to tick off when you complete an activity. You need to complete 6 in total but they can be from either column.

| Challenge Awards         |               | International, Community and Values activities |                 |
