Manchester
8 March 2025

Congratulations!

You're coming to the UK Youth Forum!

So... what is it?

The UK Youth Forum (UKYF) is all about putting young people in the driver's seat of UK Scouts! We want to listen to and act on the ideas of our young people as we shape the future of Scouts in the UK.

We are bringing together young people (like you!) from across the UK to hear their voices, exchange ideas, and explore solutions that will shape the future of the movement. The UK Youth Forum plays a key part in ensuring young people have a voice at all levels of Scouts. It's time to **#SpeakUpSparkChange!**

Who's taking part?

Every young person across UK Scouts has the opportunity to take part, whether it's through our self-led activities or in joining us at one of the in-person Forums. The more voices we hear, the more we'll **#SparkChange!**

We're hosting four **in-person events** (one in Manchester, Oxford, Belfast and Edinburgh). Every English County, Welsh Area, Scottish Region and NI District have been invited to send six delegates to one of the events. Most delegations are made up of:

- **2 Scouts** (aged 10.5 - 14)
- **2 Explorers** (aged 14 - 18)
- **2 adult volunteers** (at least 1 is aged 18 - 25)

If you have friends who aren't as lucky to represent their area at the in-person events, and they still want be part of the UKYF, then don't worry! We've also got some local **self-led activities** that your leaders can run at your own groups – just search "UK Youth Forum" in the [Activity Finder](#).

Who's organised it?

We've got a team of dedicated volunteers from around the UK who've been working behind the scenes to bring you these events. You can find out more about the UK Youth Team at www.scouts.org.uk or follow them on Instagram @Scouts_UKYouthTeam.

On the day

What's happening?

We can't wait to welcome you to the event in Manchester! Check out the information below for a clearer picture of what's going to be happening...

Location: Etihad Stadium, home to Manchester City Football Club

Date: Saturday 8 March 2025

Time: 10:00 – 17:00 (Check-in is open from 09:00-09:55)

Address: Etihad Campus, Manchester, M11 3FF

WhatThreeWords: Car Park Entrance: Accent Longer Angel

Door F: Waddled Caked Clock

How do I get there?

By car: The Etihad Campus is easily accessible from the main motorway network at the M60. Follow the A57 and then the A6010 which will take you all the way to the stadium. Car and bus parking is available in the car park through Gate 11.

By public transport: Manchester has two main stations, Piccadilly and Victoria, both served by regular trains to London, Yorkshire and Wales. Both stations are part of the Metrolink tram network, which takes you directly to the stadium.

From Manchester Victoria, take the Dark Blue or Green lines to St Peter's Square, change for the Purple or Light Blue lines to Etihad Campus.

From Manchester Piccadilly, take either the Blue or Purple lines to Etihad Campus.

When you arrive at the tram stop, we'll have directions to make sure you can find us!

Where do I go when I arrive?

When you arrive, there'll be some friendly faces to guide you in the right direction. Enter through **Gate 11**, then make your way to the check-in desk to start your UK Youth Forum journey! This can be found in the **foyer** of the **East Stand** (through **Door F**). There's a map at the back of this pack to help you your way to the right place!

Please note: Stadium security will be conducting **bag checks** at the door. Don't panic – it's just to keep everyone safe!

What will I be eating?

A simple lunch will be provided on the day, along with some snacks, tea, coffee and juice throughout the event. We've already got all your dietary requirements from the registration form, but we'll confirm these on the day with you too!

Please note: all UKYF events are **NUT FREE**. Please ensure you don't bring any foods or drinks containing nuts with you! This is to protect those with a severe allergy.

What do I wear?

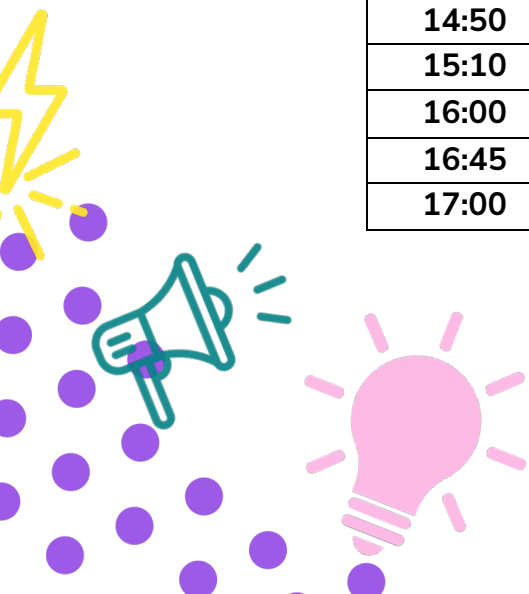

We're asking all delegates to wear their own group/district/county/area scarf (or necker, or neckie, or whatever you call it!), and wear something comfortable (we love to see a Scouts hoodie!). As long as it's respectful, we're happy!

What's the plan for the day?

Registration is open from 9am, and we'll get the day started at 10am sharp! Your delegation will be assigned a group for the day who you'll move around to various interactive sessions with. These are designed to get your brain juices flowing and give you plenty of opportunities to share your voice. We'll be prioritising the next strategy, thinking about the future and considering what the next steps are for Scouts. We'll also have various sessions on important topics like digital futures, advocacy, sustainability, safety and safeguarding. At our **Manchester event**, we have a very exciting stadium tour planned, which will round off our day at 5pm.

You'll get a breakdown of your group's plan for the day when you arrive and don't worry, there'll be lots of friendly faces to guide you to the right place. We've also planned for plenty of breaks and time to get to know each other! Here's an outline of the general plan for the day:

What if something goes wrong?

No need to panic! We've got an excellent team to help you with anything you need on the day. We'll have an Operations Centre (sounds a bit like NASA, doesn't it?) on-site, with our team working to ensure everything goes smoothly. We've done a full risk assessment, we have dedicated first aiders, mental health first aiders and lots of other support measures. Plus, there'll be venue staff on-hand to help too. Check out the section below on support and if you have any issues on the day, just speak to someone!

Is the venue accessible?

If you need anything to make the event easier or more comfortable for you, just let your delegation lead know - they'll make sure it's included on your sign-up form. [You can check out the accessibility arrangements of the Etihad Stadium here.](#)

Our team is reviewing all the accessibility needs submitted at registration and we're working hard to ensure everyone's needs are met. If there's anything you forgot to mention at registration, please get in touch so we can make the correct adjustments, to give you the best possible experience!

Here is some other helpful venue information and accessibility details:

- The Etihad Stadium is wheelchair accessible, and we'll have accessible routes marked out on the day.
- The venue has male, female and accessible/gender neutral toilets.
- We'll have all presentation slides available in printed form (in large font size and on different coloured paper).
- Welsh language support and translation will be available to those where Welsh is their first language.

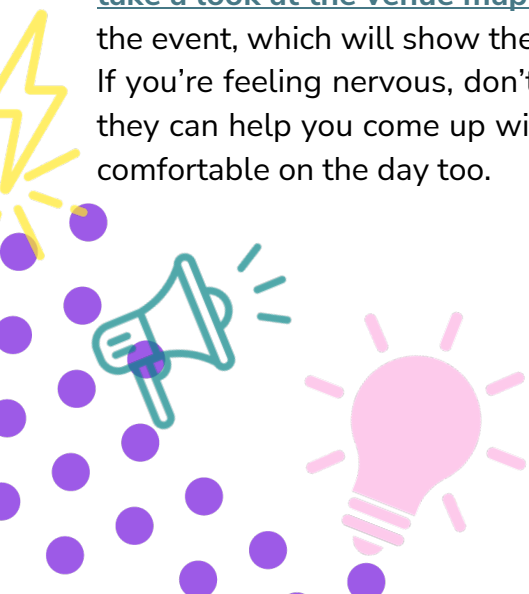

What if I need support during the event?

Your delegation lead is your go-to person if you need help. You'll also see Forum Delivery Team members around the venue - they'll be easy to spot and happy to help. Here's some information which might help in the meantime...

Feeling safe in a new place

If you're not sure about being somewhere new, why not **check out the venue in advance?** [You can take a look at the venue map and virtual tours here.](#) We'll also be sharing a specific map before the event, which will show the areas we're going to be using.

If you're feeling nervous, don't worry – you're not the only one! Talk to your delegation lead and they can help you come up with a plan. We've got lots of ways to support you and help you feel comfortable on the day too.

Meeting new people

Lots of people at the event will be meeting for the first time! There will be activities to help you get to know other, and your delegation lead will make sure you're supported. If you feel overwhelmed, there will be quiet spaces where you can take a break.

Quiet Spaces

The Forum will be a busy day for everyone, so we've scheduled regular breaks throughout the day to ensure everyone gets some down time. If you do need to step out of a session at any time to take a break, that's totally fine! We'll have a quiet space away from the main sessions, where you can take some time to yourself and have a bit of peace. The quiet space will be clearly marked on the day, and a member of our team will be on hand to help if you need anything!

First Aid and Mental Health Support

First aiders and mental health first aiders will be onsite throughout the day. You'll be able to recognise them easily if you need support. Don't be afraid to reach out if you need to!

Prayer Rooms

If you need to pray, there will be a prayer space with nearby washrooms. These will be signposted so you can find them easily.

InTouch Processes

If you need to get in touch with someone at home (or if home needs to contact you), each delegation will have a designated InTouch person who will maintain contact through the Operations Team. To find out who your delegation's InTouch contact is, check with your delegation lead.

Staying Safe: Yellow Card

If something doesn't feel right, you can talk to any adult volunteer at the event. They'll report it to the UK Safeguarding Team, who'll take action right away. You can check out the [Yellow Card here](#).

Reporting Issues

On the day, there'll be a process in place to report any issues to the Operations Centre. This is for everything from being a bit short on loo roll to making us aware of something that might need more of our attention or resources. If there is an emergency or incident during the day, we'll be following the guidelines on the [Purple Card](#).

Got any other questions?

[Check out the UK Youth Forum page on the Scouts website here.](#)

If you still have any questions, give us a shout on ukyf@scouts.org.uk and we'll get back to you as quickly as we can.

We can't wait to see you on 8th March. Get ready to
#SpeakUpSparkChange!
