

# What's your problem?

Cut up these scenarios or think of some of your own to use in the activity.

<p>Your elderly neighbour wants to find out more about meals on wheels. Can you help them find out how this operates in your area and how to register?</p>	<p>There's a massive pothole in your road and your mum has asked you to find out how to report it before someone has an accident.</p>
<p>You'd like to contribute some items to your local foodbank but you're not sure what they need. Can you find out what they need and when and where to drop off the items?</p>	<p>Your grandad has a new tablet and needs to find a local class to help him learn how to video chat with his grandchildren.</p>
<p>You've found an injured wild animal on the way to school and you need to find someone who can come and help take care of it.</p>	<p>Your neighbour's cat has disappeared. He's asked you to report it online and make sure everyone in the local area can keep a look out for him.</p>
<p>Your sister is a wheelchair user and wants to find a youth club nearby that has good access and a good range of activities.</p>	<p>Your auntie has lots of baby items and would like them to go to a local charity that helps parents and babies.</p>
<p>Your brother is going to university and wants to know how to register to vote. He's not sure whether he needs to register to vote there or at home. Can he do a proxy or a postal or online vote instead?</p>	<p>Your family would like to take part in a local litter pick. Can you find where and when the next one is? And if there isn't one can you find out from the council how to set one up?</p>
<p>You'd like to start volunteering after school so you need to find out about volunteering opportunities in your local area and how to sign up.</p>	<p>You'd like to find out more about Riding for the Disabled. Where is your nearest RDA stable and how would you get there?</p>
