About us

Overview of Scouting

We are the UK's biggest mixed youth organisation. We change lives by offering 6 to 25 year olds fun and challenging activities, unique experiences, everyday adventure and the chance to help others so that we make a positive impact in communities.

Scouting helps children and young adults reach their full potential. Our members gain valuable skills for life including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness and commitment. We help young people to get jobs, save lives and even change the world.

What do Scouts do?

Scouts take part in a wide range of activities as diverse as kayaking, abseiling, expeditions overseas, photography, climbing and zorbing. As a Scout you can learn survival skills, first aid, computer programming or even how to fly a plane. There's something for everyone. It's a great way to have fun, make friends, get outdoors, express your creativity and experience the wider world.

What do volunteers do?

This everyday adventure is only possible thanks to our team of adult volunteers, who support Scouts in a wide range of roles from working directly with young people, to helping manage a local community-based Group, to being a UK charity Trustee. We help volunteers get the most out of their experiences at Scouts by providing opportunities for adventure, training, fun and friendship.

Our award-winning training scheme for volunteers means that adults get as much from Scouts as young people. Our approach focuses on what you want to get out of volunteering with Scouts, while respecting how much time you can offer. Over 90% of Scout volunteers say that their skills and experiences have been useful in their work or personal life.

Key facts and figures

The Scout Association is a UK charity founded in 1907 and now boasts a membership of over 620,000 young people and adult leaders. We are the largest mixed youth movement in the UK. Scouting activity is delivered through 7,000-plus community-based Scout Groups nationwide.

Scouting is widely recognised and is one of the most trusted charities in the UK, giving it a significant level of influence and responsibility. Scouting's greatest strength lies in its grass roots. It is locally that Scouting is best able to identify and work directly with young people most in need.

We believe that through the everyday adventure of Scouting, young people and adult volunteers regularly experience new challenges that enrich and change their lives.

The current focus for the Trustees and those in Scouting in the UK is delivering our strategic vision.

Our strategy

A strategic plan for Scouting across the UK has been introduced which will secure our strategic direction through to 2023 and will grow on the success of the previous plan. More details on the work towards the new plan are available at www.scouts.org.uk/ourplan. BSO's Area Development "Plan on a Page" aligns with the national strategy and provides a high-level intention of how we will deliver Scouting across BSO. BSO Area and District teams will play a key part in leading the delivery of this plan across the Area.

By 2023 we will have prepared more young people with skills for life, supported by amazing leaders delivering an inspiring programme. We will be growing, more inclusive, shaped by young people and making a bigger impact in our communities.

Further information on The Scouts strategic objectives are provided on their website at www.scouts.org.uk/ourplan.

Scouting's fundamentals

Our mission

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

Our values

As Scouts, we are guided by these values:

- **Integrity**
- **Respect**
- **Care**
- **Belief**
- **Co-operation**

Further information on our fundamentals, including details of our values, are provided on our website at <http://scouts.org.uk/about-us/key-policies/fundamentals-of-scouting/>

Scouting's key policies

In common with all members in Scouting, all BSO roles are required to promote and follow our key policies which cover:

***Child Protection *Equal Opportunities *Religion *Safety**

These policies are fully explained on our website at <http://scouts.org.uk/about-us/key-policies/>

About British Scouting Overseas

British Scouting Overseas (BSO) allows members of UK Scouting to take part in the UK programme despite being outside of the United Kingdom. BSO is split in to 4 Scout Districts: Northern Europe, Middle East, France & Iberia and Rest of the World. According to the 2020 census we have a total membership of 3,656. Operating in 28 different countries, each with their own legislation, is a unique challenge to BSO and as such, strong working relationships with National Scout Organisations and local government in our host countries are encouraged to ensure our members have a rewarding and safe experience as part of BSO.

About the Middle East District

The Middle East District comprises of 18 Scout Groups with a total membership of 1,091 (2020 Census). We have Scout Groups in Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and the United Arab Emirates. In the last 5 years, the District has seen a 25% increase in membership (young people and adults) whereas the Association as a whole, has seen a 4% membership drop over the last year. Our busy District teams have experience delivering District-wide camps, training and other events both face-to-face and online. Due to Covid 19, there has seen a massive increase in virtual Scouting. The full impact of the pandemic on our membership numbers will remain unknown until we are allowed to meet again face-to-face.

We're Scouts and everyone's welcome here. All genders, races and backgrounds. Every week we give almost half a million people aged 6-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

At a time when communities are becoming more divided, we bring people together. When many young people are struggling to find purpose and belonging, Scouts helps them develop skills, confidence and a sense of hope. We inspire positive futures and help young people find their place in the world by developing the character, employability and practical skills they need to succeed.
