

# Materials price list

Here's what you can use and how much it costs.

Material	Number in each batch	Cost of one batch	Notes
<b>String</b>	1	Blue token	Each piece is 30cm long.
<b>Paperclips</b>	5	Blue token	
<b>Paper straws</b>	2	Green token	
<b>Split pins</b>	1	Green token	
<b>Sticky tape</b>	1	Green token	Each piece is 10cm long.
<b>Glue stick*</b>	N/A	Yellow token	You only have to pay once to use the glue stick as much as you like.
<b>A4 paper</b>	1	Yellow token	
<b>Staples</b>	2	Yellow token	
<b>Thin sheet of A4 card</b>	1	Orange token	
<b>Pipe cleaners</b>	2	Orange token	
<b>15cm wooden skewers</b>	5	Red token	
<b>Thicker sheet of A4 card</b>	1	Red token	Like the kind used to make cereal boxes.

You have to buy things in batches – you can't buy half a batch of something. For example, if your design needs five pipe cleaners, you'd have to purchase three batches of two, giving you six pipe cleaners available to use.

\* You can only use the glue stick to stick things together – you can't use it as part of the structure!
