

Anytown District Development Plan 2022-2023

Current situation

Anytown District has been without a full-time District Commissioner (DC) for a number of years and has therefore, lacked some leadership, a sense of direction and a plan for the future. With our appointment in September 2022, one of our first challenges was to set our vision for the District.

Following research and consultation with District members, the top 3 priorities for the District are:

1. Adults feel supported.
2. Young People influence and experience high quality programmes.
3. Growth in Young People & Adults experiencing Scouting.

The table below shows the ways in which we hope to achieve these priorities. We hope to review this on an ongoing basis at District meetings.
