

Accident scenarios

Practise making an emergency call and describing one of these situations.

Your very elderly neighbour has fallen over and can't get up.

Your friend is having an asthma attack and can't breathe.

A car has crashed near you and the driver won't wake up.

You've fallen off your scooter and think your ankle is broken.

Your mum has fallen at home and thinks she's broken her ankle.

Someone's parent has fainted just outside the school gate.

Your friend has just stepped on a nail while you're out on a hike.

Your friend has fallen off their bicycle and their head is bleeding.

A dog has just bitten your dad outside your house.

The driver of your bus has stopped and is clutching his chest.

Your little sister has pulled a cup of hot water over her arm.

Your auntie has cut her hand on some broken glass.

Your little brother put his finger in the electric socket and has had a shock.
