

Dear Headteacher

The Scouts have been invited to attend the 2023 Royal International Air Tattoo (RIAT) at RAF Fairford, Gloucestershire on Friday 14th July 2023.

The Scouts have been offered free tickets based on our long-standing partnership with the RAF, jointly delivering on educational programmes with the desire to promote STEM subjects to our young people.

We realise that for some students, 14th July is a school day. Because of this, we wanted to give you details about the event to help your decision-making should a pupil at your school request to attend.

This event is classified as an educational off-site activity (Code B or Code V) in accordance with guidance from the Department for Education for structured activities organised by the Scouts.

During the day Scouts will take part in STEM workshops, inspiring them to learn about careers in aviation, aerospace and engineering. There will also be the opportunity to meet potential employers and higher education institutions.

We hope you agree that this will be a unique and valuable opportunity for our young people at Scouts. If you have any questions, please feel free to contact me by email at: Emily.Lomasney-Duffy@scouts.org.uk.

Thank you

Kind regards

Emily Lomasney-Duffy
