

# Welcome conversation: let's get started!

Thank you for taking this next step with us. We want you to have the best welcome possible. Within your first six weeks, you'll have a chat with a Welcome Conversation volunteer and your Team Leader. Here, you can chat about everything you need to feel confident in your new role.

30-45 mins

Tick off the following points together for an easy breezy start to your new role.

**1** Tell us a little bit about yourself and your interest in Scouts. Do you have any access needs we can support you with?

**2** Do you know what tasks you'll be doing? Let us know which tasks you've signed up for and how you'll organise your time to get them done.

**3** At Scouts, we want to help you grow. Chat through our learning and development opportunities.

**4** It's everyone's responsibility in Scouts to keep young people safe. Have you read the Scout values, promises, policies and Yellow Card?

**5** We make your journey easy to follow through our membership system. Can you access this?

**6** You'll need to complete the rest of our Welcome steps to become a full member, such as references and a disclosure check. Have you started these?

## Tips

We want everyone to feel welcome, so please let us know what pronouns you use and whether you have a preferred name? Do we have your correct details?

Volunteering is flexible, so if this isn't the right role for you, chat to your Welcome Conversation volunteer to see if there's something else you'd like to try.

We'd love to hear more about what you'd like to get out of volunteering. If you have any more questions or just want to have a chat, you can reach out to your Welcome Conversation volunteer, Team Leader or buddy (if you have one).

Thank you for everything you've done so far and for having this conversation with us.

**Good luck on your volunteering journey!**
