

# What can you spot?

You can write or draw the answers, or take pictures if you're allowed.

## The building

<p><b>How old is the building?</b> There might be a date on the building, or it may just look old or new.</p>	
<p><b>Did it used to be something else?</b> The building may have been built to be this place or worship, or maybe it used to be something else, such as a school or a house.</p>	
<p><b>Is there any furniture?</b> Look for places to sit. Is there special seating for certain people, for example, choirs or worship leaders?</p>	
<p><b>Are there any special features?</b> Look for doors, windows, carvings, pillars, altars, or places to keep the holy book(s).</p>	

## The people who worship there

<p><b>Do people stand, sit, or kneel?</b> The furniture may help you figure it out.</p>	
<p><b>Do people wear any special clothes?</b> Look at someone who's worshipping, or ask someone who works there.</p>	
<p><b>When do people visit?</b> Do they visit on one day of the week or can they come in whenever they like?</p>	
<p><b>How do worshippers prepare?</b> Do they take off their shoes? Do they wash? Do they make any signs?</p>	

## The people who lead the worship

<p><b>Where do the people who lead the worship stand?</b> Is there a special chair or place to stand?</p>	
<p><b>Is there a special place to read or speak?</b> Is there a microphone?</p>	
<p><b>Do they wear special clothes?</b> There may even be someone who can show you their special clothes.</p>	
<p><b>How many people lead the worship?</b> Ask someone if there's one main leader or if several people help to lead.</p>	

## Decoration and art

<p><b>Is there any art or decoration?</b> Look for paintings, patterns, and other art such as embroidery or sculpture.</p>	
<p><b>Is the ceiling decorated?</b> Look at the shape of the ceiling too.</p>	
<p><b>Can you see any special books or scriptures?</b> Remember not to touch. Just look at any books, any decoration, and the places they're kept.</p>	
<p><b>Is the space light or dark?</b> Look at windows and lights. Are some areas lighter or darker than others?</p>
