

# Emergency loop chase

<b>Start</b>	One of the most obvious indicators of an electricity power failure is when...
✂ ...the lights go out unexpectedly.	A more common name for an electricity power failure is...
✂ ...a power cut.	A good way to check whether your house is experiencing a full power cut is...
✂ ...to check the lights in another room to see if they come on.	When you are sure you are experiencing an electricity power failure, your parent or carer should call...
✂ ...105, from any phone.	Calls to the 105 power cut number are...
✂ ...free of charge.	When they ring the 105 power cut number, your parent or carer may be asked to...

<p>...check your electricity meter to see if your house is receiving an electricity supply.</p>	<p>In case of a power cut, it is useful for everyone in your family to know the location of your...</p>
<p>✂ ...electricity meter and trip switches.</p>	<p>If you are experiencing a gas leak, you may notice...</p>
<p>✂ ...a strange smell, like rotten eggs.</p>	<p>If you suspect a gas leak, your parent or carer must...</p>
<p>...phone the National Gas Emergency Service immediately.</p>	<p>To phone the National Gas Emergency Service, your parent or carer should call...</p>
<p>✂ ...0800 111 999</p>	<p>If you suspect a gas leak, you must not...</p>
<p>✂ ...use any naked flames, turn on lights or electricity switches.</p>	<p>To help you breathe safely during a gas leak, you should...</p>
<p>✂ ...open all doors and windows.</p>	<p>When your parent or carer calls the National Gas Emergency Service, they may be asked to...</p>

...turn the gas off at the meter.	If you have a water leak in your house, you can usually stop it temporarily by...
✂ ...turning your water supply off at the mains.	To turn the water off at the mains, you need to turn off...
✂ ...the main water cut-off valve, often called a stopcock.	Once you have isolated a water leak, your parent or carer should call...
✂ ...your water utility company.	The main water utility company in our region is...
✂ (Locate your local supplier here: <a href="http://www.water.org.uk/consumers/find-your-supplier">http://www.water.org.uk/consumers/find-your-supplier</a> and put the company name in this box)	<h1>Finish</h1>
