

News report scenarios

Scouts

A road traffic accident has occurred

Firefighters are on the scene to help make the area safe as there has been petrol spillage, which could lead to a fire.

The firefighters cut the man out of his car as he got stuck inside.

A cat is caught up a tree and won't come down

Firefighters are on the scene with their ladders, to get the cat down safely and prevent people getting hurt by trying to rescue the cat themselves.

Doing fire safety talks at schools and work places

Firefighters often visit schools and workplaces to speak about fire safety and ensure that fires can be prevented.

Fitting fire alarms in homes

Firefighters often visit people's homes (especially older people) to do a fire risk assessment and ensure that they have the appropriate smoke and fire alarms fitted.
