

# Session 1: Welcome Wave

  
World Scout  
**Moot**  
 Portugal   
2025

World Scout  
**Moot**  
Portugal  
2025

**Matthew Longden**  
**UK Contingent Leader**

**Picture yourself on a shore,  
hot sand beneath your feet,  
looking out at the waves.**

You can smell the salt and pine trees. For a moment,  
you see a fin crest before disappearing again into  
the sparkling waters of the Atlantic.

This is Portugal and this is Moot 2025.

**Ride the waves**  
**Explore new seas.**  
**#Engage**

- Engage yourself
- Engage others
- Engage with others

#MootUK

# Post Event Ends.

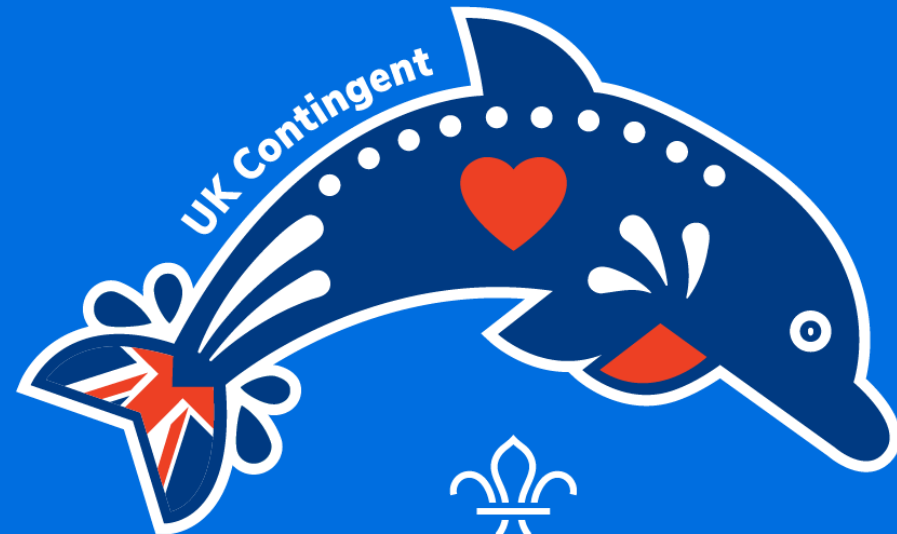

# **We know everyone's experience will be unique.**

We're going on an amazing journey together. We're also going on our own personal journeys, and every one of them will be different.

# Meet the Pods

# UK Contingent Pods

- Our UK Contingent Pods are designed to help you find friends, support each other, and build connections before we get to Portugal.
- Make the most of the Pod Facebook pages to get to know each other (featured post at the top of the main FB group).
- If you'd like to organise any events or meet-ups, please follow Scouting guidelines and your local events/nights away process.
- Any Pod Badges/Merch – share with us before you order.

## Pod Facts

- Pods have 40 – 50 people in, which is a mix of Participants and IST
- Each Pod is named after a sea creature native to the UK
- Each Pod will have two Skippers (one Participant and one IST) to help lead the Pod

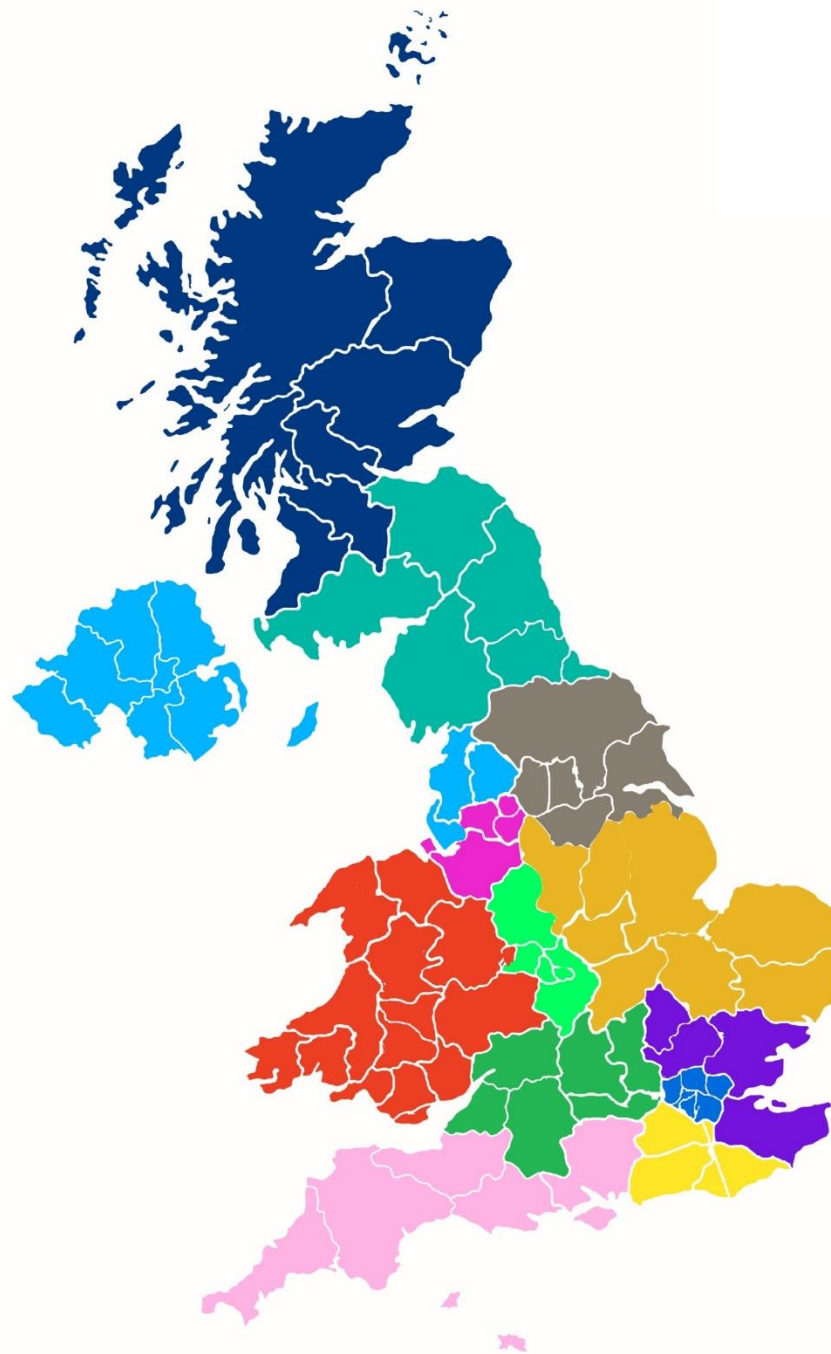

**A pod is a temporary social group of 5 -20 dolphins**

**A few pods may join together to form a herd, which can be up to a mile in length**

**In places with an abundance of food, many pods join together with up to 1,00 dolphins forming a superpod!**

-  **Leatherback Turtles**
-  **Basking Sharks**
-  **Cuttlefish**
-  **Bobtail Squid**
-  **Oysters**
-  **Jellyfish**
-  **Gurnard**
-  **Rockling**
-  **Lesser Spotted Dogfish**
-  **Lobster**
-  **Seahorse**
-  **Starfish**
-  **Orca**

# Pod Skippers

- Each Pod will have two Skippers, one participant and one IST
- Skippers will support their Pod by...
  - Supporting Pod members to get to know each other and helping all Pod members feel included
  - Making sure their Pod is aware of important messages and deadlines from the Contingent Leadership Team
  - Answering questions and concerns about the Moot that they are able to and passing on anything that requires the attention of the CLT.
- Applications to become a Skipper will be open soon!

## Communication In Your Pods

- We all communicate differently, please ensure
  - Everyone is included
  - Planned activities are inclusive
- Remember your Scouting Values
- Reminder: some Pod members may be under 18.

## Pod Time!

What next....

- Split up into your Pods and find you Pod location nearby:
  - Check everyone is in the Facebook group
  - Complete team building challenges
  - Complete photo challenges
  - Grab a cuppa/drink

You must be back by 11.30am!

## Run some getting to know you games.

Something where everyone gets a chance to introduce themselves. What games...you decide, some suggestions below:

- **This Or That** Line up facing each other and take it in turns along the line to suggest some common 'This and That's' Then vote for what you prefer: Cats or Dogs, Pepsi or Coke, Tents or Hammocks etc. One line will form the first item, another the second, move to the line which you agree with
- **What are you most looking forward to at Moot?** Take it in turns to talk about what everyone is most exciting for, could you work together on something?
- **Fundraising Ideas** What have people got plans for, could you collaborate and support each other?

## Pod Photo Challenges!

- Record a short, portrait, video of someone from each County, Area or Region in your Pod saying the name of the area they are from
- Take a group photo of everyone in your pod and share it in your pods Facebook page. Best pod photo will be chosen by Stu after both meet ups are complete. For Gilwell plan your photo so everyone is in a group point to the left. For Newark all point to the right. Our top tech team (Stu) will then merge the photos together to make one shot with the whole pod.

# Thanks!
