

Scottish song ideas

Below are the lyrics of two famous Scottish songs, from different eras.

I'm gonna be (500 miles)

by The Proclaimers

These lyrics were re-written by primary school children.

When I wake up, well I know I'm gonna be
I'm gonna be the one who wakes up feeling good.
When I go out, yeah, I know I'm gonna say
I'm gonna say how are you feeling today?
If I feel sad, well, I know I'm gonna find,
I'm gonna find some friends who'll help me that's for sure.
And our behaviour, hey, I know it's gonna be,
It's gonna be outstanding always – never poor!
But I would smile five hundred smiles,
And I would smile five hundred more
Just to be the one who smiled a thousand smiles
To help friends even more.

Auld Lang Syne

by Robert Burns

Should old acquaintance be forgot,
and never brought to mind?
Should old acquaintance be forgot,
and old lang syne?
For auld lang syne, my dear,
for auld lang syne,
we'll take a cup of kindness yet,
for auld lang syne.
