Are you passionate about rolling your sleeves up and taking action?

We believe that as Scouts we can have a massive impact and that our actions can change lives and communities for the better; all whilst allowing us to develop ourselves too!

We're looking for amazing young people between the ages of 14 and 25 to be trailblazers, leading and supporting other Scouts from across the UK to be able to make a difference on themes Scouts really care about.

Are you up for the challenge? Apply to join the Community Impact Group as we strive to leave the world a little better than we found it!

The Community Impact Group

The Community Impact Group is a UK wide group of young people, who lead the A Million Hands project and empower Scouts to take action. By working with expert charity partners, the group creates fun and impactful activities, attends events and acts as ambassadors for the project and the Scouts more widely.

What we're looking for

- Someone confident in leading the design and oversight of the delivery of national community impact programmes.
- A change maker, passionate about improving the lives of others for the better (with examples of where/how you've done this).
- An excellent team member who is respectful of the views of others.
- An enthusiastic individual who is not afraid to share ideas and opinions.
- Someone comfortable travelling to and attending at least three weekend residential events that will bring the group together each year until July 2023.
- Someone able to respond to emails and messages promptly and make decisions collaboratively using digital platforms.
- Someone who can act as ambassador for Community Impact and Scouting in general within the organisation, media, political arenas and other organisations.

What you'll get out of it

- The chance to shape the work of the Scouts on a national stage
- The opportunity to develop resources to help young people leave the world better than they found it
- The chance to attend events and conferences across the United Kingdom
- A supportive team interested in your development and supporting you
- The chance to develop skills for life such as leadership, influencing and communication

Key information

- Applications close at 5pm on **Sunday 22 December**.
- You'll ideally be able to attend a residential induction weekend at Gilwell Park from 31 January – 2 February 2020.
- We're currently actively seeking representation from young people from Wales.
- Travel, food, and accommodation costs are covered
- All applications are dealt with in the strictest confidence
