

Illustrated instructions

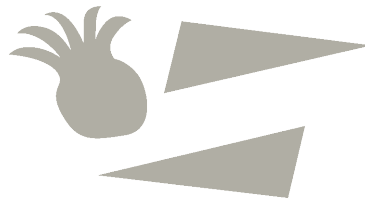

Follow these simple steps to sew a flag for your Patrol.

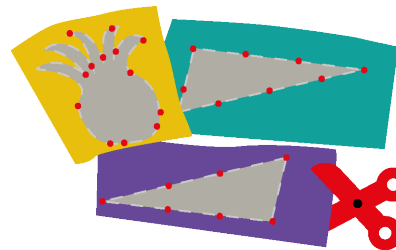

1. Draw and cut out your templates from paper or card.

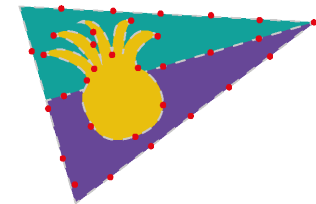

2. Create templates for each part and colour you will use.

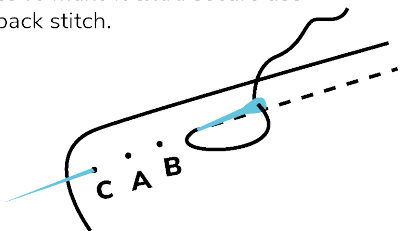

3. Pin the templates to the fabrics you will use and carefully cut them out

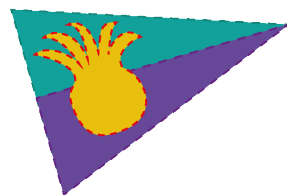

4. Layer and pin your fabric pieces ready to sew.

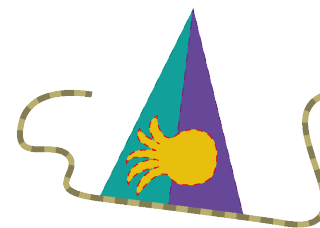

5. To make it extra secure use back stitch.

6. Stitch your fabric layers together either using matching or contrasting thread.

7. Stick a strip of cord or fabric onto the back of the flag to help tie it to things.

8. Fly it proudly!
