

Materials price list

Groups should all have access to the materials below, and keep track of the 'cost' in their budget.

Material	No. per Batch	Cost per Batch	Notes
15cm Wooden Skewers*	5	£1,000	
Paper Straws*	2	£100	
A4 Paper	1	£200	
A4 Card	1	£400	
Cardboard	1	£1,000	A4 sized and not corrugated (like the kind used for cereal boxes)
String	1	£50	30cm lengths
Pipe Cleaners*	2	£400	
Staples*	2	£200	
Paperclips*	10	£100	
Split Pins	1	£100	
Sello-tape	1	£100	10cm lengths
Pritt Stick ¹	n/a	£100	One time cost
Glue Gun ²	n/a	£200	One time cost

* these items must be purchased in batches. So, if your design requires eight wooden skewers, you'd need to purchase two batches, giving you 10 skewers available to use.

¹ Pritt sticks (or equivalent) may be used for joining materials together. They cannot however form part of the bridges structure. A one-time cost is due for use.

² A hot glue gun may be used for joining materials together. A one-time cost is due for use.
