We need tea makers, activity planners, tidy-uppers and helpers for as little or as much time as you can spare.

We meet every Wednesday evening to help Woodheath's 8- to 11-year-olds get going, get thinking and get stuck into all kinds of things to give them skills for life. Every now and then that may well mean using a compass, but more often than not it's about confidence, speaking up, thinking on their feet and going for it. Can you help?
