Process Flow Chart

Volunteering Opportunities Tool

Process Flow Chart

Footnotes

[1] This process is specific to those that are joining The Scouts via the Volunteering Opportunities Webpage. If you are looking for information on how to add a new member to My Membership – you can find our online guide here:

[Link – Add a New Member](#)

[2] My Membership does not currently send notifications when a new volunteer enquires about an opportunity, so the recruiter and/or recruiting team will need to check regularly under the “Volunteer Enquiries” tab to check for any applications

Further Information
