The UK Contingent  
vision for Roverway  
2024

# Included

1. The UK Contingent to Roverway 2024 will improve upon the representation of UK Scouting's socio-economic, religious and ethnic background, compared to the most recent international events.

## What can I do?

- Make sure everyone in the contingent feels welcome
- Treat everyone with respect and courtesy
- Learn about the other members of your patrol so you can support each other
- Support your International Service Team and Contingent Management Team, we're all here to help each other

# Involved

1. At least 75% of participants and IST members will attend a face-to-face preparation event prior to Roverway 2024
2. At least 95% of participants will feel they have shaped their own adventure and experience of Roverway 2024

## What can I do?

- Attend Roverway on Tour and the Patrol Leader Academy
- Make decisions to be a do-er and a give-it-a-goer
- Try things out of your comfort zone
- Own your own adventure, take every opportunity to shape it

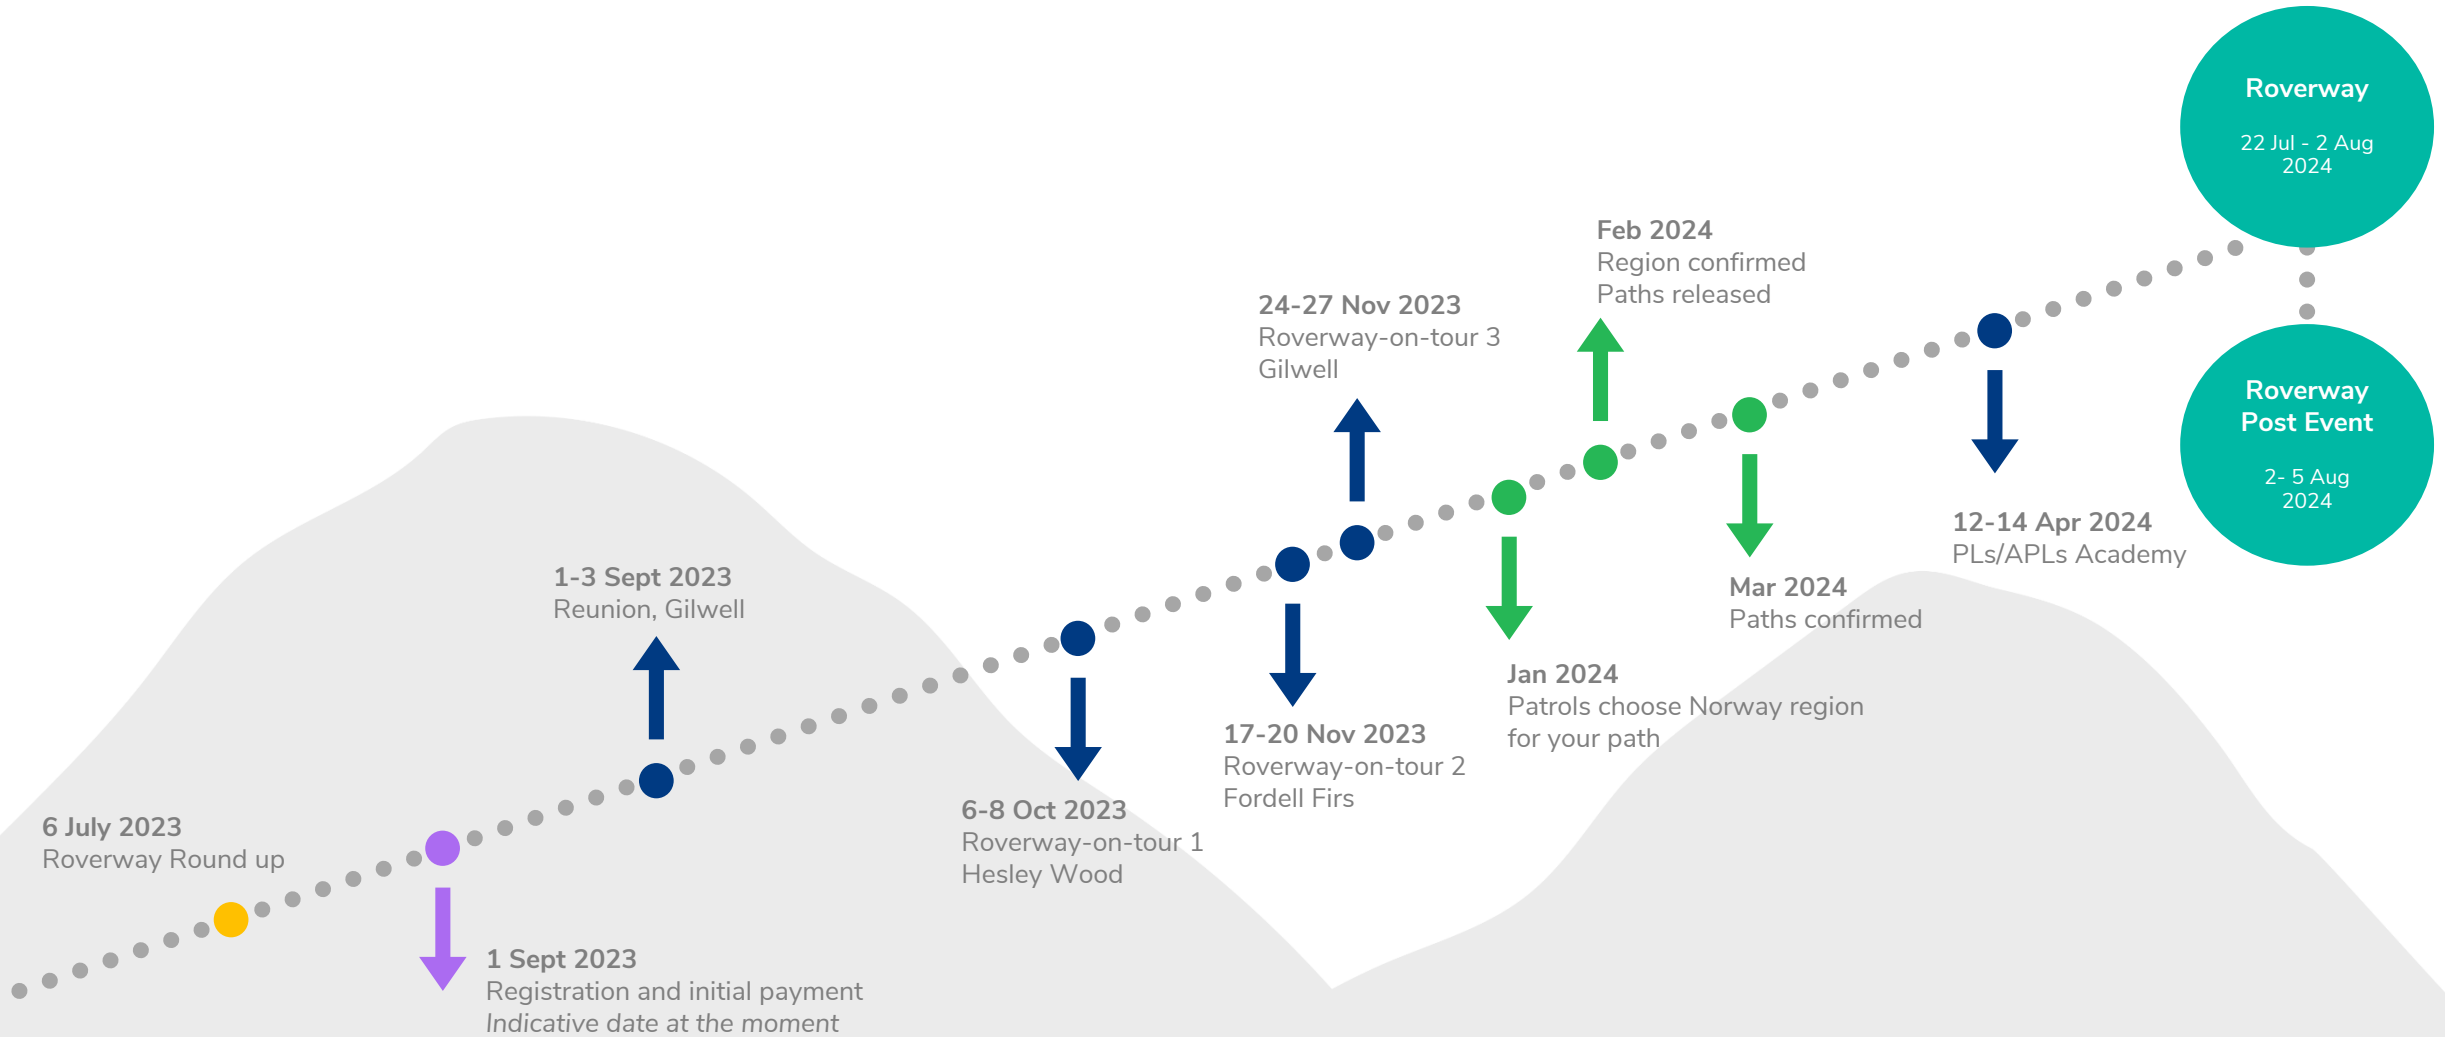

# Inspired

1. At least 50% of participants will be working towards a Top Award as a result of their involvement with Roverway 2024
2. At least 75% of participants report that they want to take part in or lead a future international Scout event
3. At least 95% of participants will feel like they have gained new skills and capabilities as a result of their involvement with Roverway 2024

## What can I do?

- Learn how you can use Roverway for your Top Awards
- Try new things with your Patrol, at our prep weekends and at Roverway
- Get comfortable being uncomfortable, lets grow together
- If you've been before, help share your experience
- Tell others about Roverway – your unit, your friends and your local community
