

# Something doesn't feel right? Let us know.

Tell us about unfair treatment because of who you are (like your gender, race or religion) you've seen, heard or experienced at Scouts. We won't ask for your name, and no one will know you've made a report.

You can ask someone you trust to help you or make a report for you.

We'll use what you tell us to help make Scouts a place where everyone can have fun, try new things and feel like they belong.

**Tell us what you've seen, heard or experienced. If it didn't feel right, we'd like to know about it.**
