Fundraising

The screenshot shows the Scouts.org.uk website page for Fundraising. The header includes the Scouts logo, navigation links (Join Scouts, Info for parents, Info for volunteers, About us), a Shop icon, a Donate button, and a search icon. A breadcrumb trail reads: Home > Volunteers > Running Your Section > Programme Guidance > International Scouts and Events > International Events > 16th World Scout Moot > Fundraising. The main heading is "Fundraising" with the sub-heading "Top tips for raising funds towards your international adventure". The text explains that fundraising is essential for international adventures and provides tips on planning and observing rules. A list of fundraising ideas is provided, including Coffee Morning, Quiz Night, Leaflet Drops, Curry Night, Marshals, Rent-a-Tent, Bag Packing, Car Boot Sales, and Absailing. A "Top Tips!" section lists four key strategies: spreading fundraising over time, targeting diverse audiences, thinking outside the box, and sharing adventures on social media. A QR code is located in the bottom right corner of the page.

Fundraising

Top tips for raising funds towards your international adventure

Fundraising is an essential part of any international adventure. There are no magic answers to fundraising – it's just down to hard work, imagination and dedication, so the sooner you start planning, the easier it will be. You can fundraise individually, as a group or a mix of both to make the most of different opportunities and events. It's always good to think outside the box, trying something different and exciting that's not been done before. Remember, there are plenty of other very deserving causes out there who are also trying to raise funds for their work, so be bold but be nice!

Remember, you must observe the rules and laws relating to fundraising. If you are unsure make sure you double-check to make sure you're following all the rules.

Here's a list of fundraising ideas you could think about running as part of your journey to the Moot.

- Coffee Morning – Bake some cakes and treats and invite everyone round for a cuppa!
- Quiz Night – Write the quiz yourself or download rounds online.
- Leaflet Drops – Try and get a few businesses to sign up in one go
- Curry Night – Strike a deal with your local curry house to provide the food and charge a ticket fee.
- Marshal or provide a refreshment stop for charity bike rides, fun runs etc
- Rent-a-Tent – Got loads of camping gear sitting around? Hire it out to friends and family.
- Bag Packing – Join together to cover as many tills as you can and share your story with customers.
- Car Boot Sales or Local Fairs – Time for a clear out? Buy a table and sell those old DVD's.
- Absailing - How good are you with heights? Lots of companies across

Top Tips!

1. Try to spread your fundraising out from now until the Moot. Don't try and do everything at once but leave a few months in-between events.
2. Try not to target the same people all the time. Think of different audiences/friends/work colleagues who might want to support you.
3. Think outside the box! The wackier and different the better. Think about your target audience and what they might like to take part in.
4. Share your fundraising adventures on social media for others to see.
